

SCHOFIELD MIDDLE SCHOOL GRADE CALENDAR 2008-2009

Historically, Grade Days have provided parents and students with the opportunity to review students' progress **once** during each quarter. With the implementation of our *ParentLink* website, parents have 24/7 access to students' grades, attendance and homework.

Unsatisfactory Notice will be mailed home **twice** each quarter. Notices will be mailed to students whose grades reflect a "D", "F", or whose citizenship reflects a "U" at the time Unsatisfactory Notices are generated.

Parents who do not have access to a computer, may request a progress report at the time Unsatisfactory Notices are printed by contacting the students' teachers. Computers are available in our school library, as well as the city library, for *ParentLink* access.
